

Initial Bibliography

Evaluating Google Maps as a Pharmacy Establishment Data Source:
An AI-Assisted Audit Framework for Health Equity Research in
Minneapolis–St. Paul

Congyuan Zheng
Department of Geography, University of Colorado Boulder

April 2026

This document lists the 22 BibTeX entries comprising the initial bibliography for this honors thesis. Entries marked % CHECK require manual verification of volume, issue, page numbers, or DOI before submission. Citation keys are shown in the margin for cross-reference.
